FIESTA OF FIVE FLAGS, PENSACOLA

Florida's Gulf Coast Scenic Highway

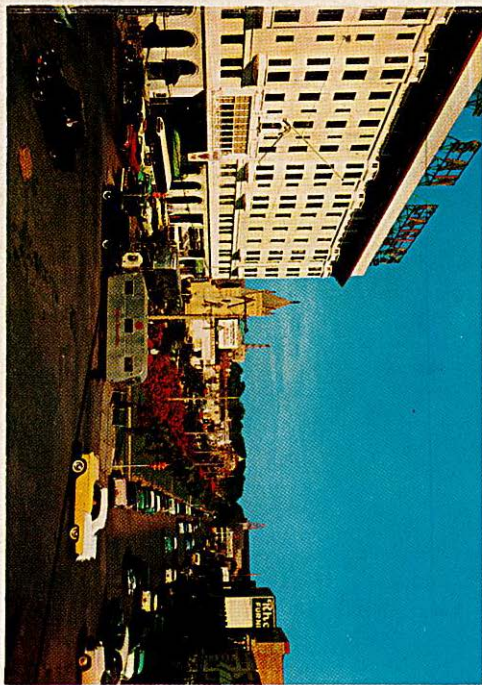

For miles, this highway touches the shores of the beautiful Gulf of Mexico, with its blue-green waters gently lapping the snow-white sandy beaches, along this scenic route.

Nature has lavished on N. W. Florida, delightful scenery and the best in sports fishing, both salt-water and fresh-water, and famed as one of the country's great historical regions, has made this section a tourist's paradise.
